

NOTES:

Horizontal Coordinate System:
North American Datum of 1983 (NAD83),
projected to State Plane Alabama West Zone.
Distance units in U.S. Survey Feet.

Vertical Datum:
Soundings are shown as depths below the normal pool (water surface) elevation.
RF Henry Pool Normal Water Surface Elevation is 125.0'
Values are based on the North American Vertical Datum of 1988 (NAVD 88).

River mileage conforms to the Historic River Miles of the Alabama River.

The information shown on this map represent the results of a
survey conducted on the date indicated and only represent
the general conditions existing at that time.

The location of navigation aids are based on and provided by the U.S. Coast Guard.

DISCLAIMER: The United States Government furnishes this information for the individual's use and does not warrant, either expressly or implied, the accuracy, reliability, or completeness of the information and the data furnished. The United States shall be liable for damages only for negligence of an individual or entity that has been made known to the Government and for which the Government provided data. The recipient may not transfer these data to others without also transferring the Disclaimer.

Access Constraints: The United States Government furnishes this information for the individual's use and does not warrant, either expressly or implied, the accuracy, reliability, or completeness of the information and the data furnished. The United States shall be liable for damages only for negligence of an individual or entity that has been made known to the Government and for which the Government provided data. The recipient may not transfer these data to others without also transferring the Disclaimer.

Distribution Limits: The data represents the results of data collection for a specific US Army Corps of Engineers project and is not to be used for any other purpose. As such, it is only valid for its intended use, content, time and place. The data is not to be used for any other purpose or for any other application of the data or other than its intended purpose.
